CS 1632 Software Quality Assurance

Deliverable 1

Member 1 Name:

Member 2 Name:

1. **Introduction**

   a. **Division of Work**

   Describe how you divided the work between partners. If you worked alone, please say so.

   b. **One Base Case**

   Provide the IDENTIFIER of a base case that you tested. Explain why this is a base case.

   c. **One Edge Case**

   Provide the IDENTIFIER of an edge case that you tested. Explain why this is an edge case.

   d. **One Corner Case**

   Provide the IDENTIFIER of a corner case that you tested. Explain why this is a corner case.

2. Traceability Matrix

Complete the traceability matrix below. An "X" mark in a cell means that the test on the row verifies the requirement on the column. Note that "TEST-CASE-1" and "TEST-CASE-2" are just example test case identifiers. Please replace with your own test cases.

	FUN-NORTH	FUN-SOUTH	FUN-LOOK	FUN-INVENTORY	FUN-DRINK	FUN-HELP	FUN-LOWERCASE-COMMANDS	FUN-UNKNOWN-COMMAND	FUN-UNIQ-ROOM	FUN-UNIQ-ROOM-FURNISHING
TEST-CASE-1	X									
TEST-CASE-2		X	X							
…										

4. Test Cases

Write your test cases here.

5. Defects

Write your defects here.
